Vision Update The trustees continue to work on the Vision and future plans for the church, which will be shared with everyone during this morning's 10.30 am service.

We know that life with God is a journey which often surprises us, so please do not expect the vision to 'be cast in stone', rather, it is a 'roadmap' which we believe God wants us to follow. Please pray for the Trustees and Pillar Coordinators that they may know God's guiding hand.

Following our move into the Church complex, we appreciate there may be some teething problems. If you have any views, thoughts or comments about the physical & practical aspects of the whole building, please contact John Dekker - email jdekker@talktalk.net or Gareth Ashton. If there is an issue with some other aspect of our move, please see Rev Peter.

Parking for less-abled: The east side of church and hall (i.e. the sides facing Winston Grange) has space along the drive for parking cars - at least four. This will enable entry into church via the level footpath that goes around the church, past the Memorial Garden and old porch, and in through the main door (Memorial Hall side) of the building.
