The Methodist Church is running another streamed conference this year. Broadcast online, **Homegrown** looks at how faith is grown at home. How can we encourage families and households to nurture faith together, and to spur each other on as they encounter Jesus and faith in everyday life? This event offers opportunities for both theological reflection and practical equipping. **The conference runs from 9:30am to 2:30pm on Tuesday 8th October**, and while you can watch in the privacy of your own home, you will get more from the conference if you watch with others. With that in mind, the Church of England, Diocese of Leeds is hosting a screening at **The Trinity Centre** in Bingley (John Escritt Rd, Bingley BD16 2ST). The screening is aimed at those supporting and working with families from any church, with free lunch provided. Info at <https://www.methodist.org.uk/our-work/our-youth/homegrown/>

Something to look forward to:
